

ABOUT THE SPEAKER

WSDA President **Dr. Denny Bradshaw** is an active restorative dentist with a practice in Pasco, Washington. He originally went into practice with his father, with whom he worked alongside for 23 years before the elder Dr. Bradshaw retired.

Dr. Bradshaw attended Loma Linda University for his dental training where, like today, he was very involved in leadership. In addition to his 6 years on the WSDA Board of Directors, Dr. Bradshaw has been working to plan and manage the Pacific Northwest Dental Conference for more than 10 years.

Dr. Bradshaw is happily married to his wife Traci, and they recently celebrated their 32nd anniversary! They have two grown children, who have careers in the San Francisco Bay area, and a two-year-old Brittany Spaniel that keeps them going.

When he isn't traveling to meetings for WSDA, Dr. Bradshaw and his wife Traci enjoy cooking, traveling with their kids, taking care of their yard, and spending time with good friends whenever they can.
