President's Letter

By Dr. Peter Pellegrini

Greetings SCDS! I hope this newsletter finds you well. It is an honor to serve as you as the Snohomish County Dental Society president.

I would like to give thanks to our immediate past president, Dr. Jae Hong for his service to the Society. I would also like to recognize all the other Executive Committee members and Judy Bangs, our Executive Director. We are truly blessed to have such a fantastic component society, and it is our members that indeed make the whole greater than the sum of the parts.

Summer is upon us. Baseball is in full swing. School's out. The sun's (sometimes) out. It is a wonderful time for reflection and recreation. Enjoy time with your loved ones. Include your dental family colleagues and professional relationships in that mix. The third Wednesday of each month you are invited to enjoy a brief and productive evening that includes a dinner, CE credit and camaraderie with your fellow dental society colleagues. We look forward to that fellowship and invite you to join us at these monthly meetings. New dentist to the society? Years since you last came? Not sure what to expect? Call or email myself, or a committee member or Judy. We will be glad to welcome you!

Our dental society is the first level of the "tripartite organization" where your voice is most effective. Be engaged at this ever-important local level...the grass-roots stuff! It is also where we can discuss the issues that shape our profession. Learn from our speakers, keep apprised of the changes taking place with dental benefits, be aware and help to shape the dental landscape at our local level. We are truly blessed with our fantastic profession. Enjoy the beautiful Northwest summer and I look forward to seeing you at our next meeting in September! Warm Regards,
Pete Pellegrini, DDS, MS

Congratulations to our 2018 Special Recognition Award Recipient

Each May our Society recognizes one member dentist for his or her outstanding volunteer activities and community service. Dr. Gary Heyamoto received the 2018 award. Last year's recipient, Dr. Nhi Pham introduced Dr. Heyamoto at the May 16th meeting, and presented him with the award.

Do you know of someone going above and beyond the day to day practice of dentistry. Submit a recommendation anytime throughout the year. Deadline is April 1st.

Thanks to all of you who do so much to support dental needs in our community!
