President's Letter

By Dr. Jae Hong

Our next meeting will be on Wednesday, May 16th at the Mill Creek Country Club. It will be the last meeting before the long summer break, and also my last meeting before Dr. Peter Pellegrini takes over as president of our society. I want to thank everyone for allowing me to serve my term, as it has been an absolute privilege and pleasure to do so. It gives me a challenge and motivation to try something new that takes me away from the everyday routine of full-time dentistry.

Everyone has a comfort zone. Everyone wants to stay in that comfort zone. But the people who break through and make drastic changes in their lives are ones who force their way out of their safety net and do things that they might not particularly feel comfortable doing. So I implore everyone to make a change and form their own challenges. Join the Executive Committee for the dental society. Participate in the lobbying process in Olympia with the WSDA. Take a few days out of your schedule and give your services to a free charitable dental clinic. Jump in and get that new piece of technology that you've been thinking about. Learn a new procedure, whether it be Invisalign, placing dental implants, treating sleep apnea or Botox. If you don't try it, you won't know. And if it doesn't work out, the experience itself will be worth it.

If you've never been to the Pacific Northwest Dental Conference, be sure to check it out. It will be on June 21 - 23 at the Hyatt Regency and Meydenbauer Center in Bellevue. Earn up to 20 continuing education credits, participate in fun events and a chance to connect with colleagues you haven't seen for a long time. Register by May 4th for Early Bird savings. For more info go to wsda.org/pnfdc. Looking forward to seeing everyone at our May meeting. And if you can't make it, here's to a fantastic summer and we'll see you in September.

Congratulations to our 2018 Special Recognition Award Recipient

Dr. Gary

Each May our Society recognizes one member dentist for his or her outstanding volunteer activities and community service. We are proud to announce Dr. Gary Heyamoto has been selected to receive the 2018 award. **Come to the May 16th meeting and help us honor him for his inspiring service to dentistry and the community.**

Dr. Heyamoto is a 1980 UWSOD Graduate, and has received professional recognition from the L.D. Pankey Institute, the Academy of General Dentistry, the Pierre Fauchard Society, and so much more!

He is currently involved with the Washington State Oral Cancer/HPV Awareness Coalition. Outside of dentistry, Dr. Heyamoto is active in the Seattle sports scene — coaching youth programs, and as statistician for the Seattle Seahawks, UW Huskies and Rose Bowl Games. In 2014 he used his forensic background in helping identify victims of the Oso, WA mudslide, and received an award for his participation. We applaud Dr. Heyamoto for his service to organized dentistry and the community!
