President’s Letter
By Dr. Alexis Apatoff

Now that we are officially into Fall, the holidays are sure to creep up on us quickly. The first big one for us as dentists is, of course, Halloween. I’m sure I’m not the only one who has wrestled with the existential dilemma of what to give out to trick-or-treaters. Am I the boring neighbor who hands out floss instead of candy? Or do I give out candy and die a little inside with each handful that goes into the kids’ bags? I always end up giving out candy, but never anything hard or sticky; I usually go with a mix of chocolate candies.

I understand that little treats can have a big impact on one’s overall mental and physical health, kids included. In that regard, I would like to remind you all to start considering how you will treat yourself this upcoming holiday season.

The holidays can be a busy and stressful time and can be overwhelming if we don’t take care of ourselves. Find something that works for you to cope with the stresses that may arise and think of it as a treat; some ideas to consider might be a workout at the gym, dinner with friends, a massage, or a hike. Of course there will be lots of sugary treats around this time of year and if that’s your thing, like it is mine, you should allow yourself small indulgences, but try not to go overboard.

A way you can treat both yourself and your staff this season is by attending the SCDS Annual Gala and Staff Appreciation Night on Thursday, November 14th at the Lynnwood Convention Center. This event is also a fundraiser for our Dental Foundation. It’s always fun to get to meet significant others and team members of other member dentists in our society. Our Gala is a wonderful way to start ushering in the holiday season. If you need it, you can find a registration form on our website: www.scdentists.org

I wish you all a wonderful month and I look forward to seeing you at the October meeting and our Annual Gala in November.
